# In the Event of Fire

**RESCUE/REMOVE** person(s) from immediate fire scene or room.

**ALERT/ACTIVATE** the nearest fire alarm pull station, call out "CODE RED", dial 4-6666 to state the exact location and explain details.

**CONFINE** the fire by closing ALL doors to rooms.

**EXTINGUISH** a small fire by using portable fire extinguisher or use to escape from large fires.

**EVACUATE** horizontally to another fire zone if necessary (patient building), or vertically by stairs and out of building (non-patient building).
